School-required immunizations follow the Advisory Committee on Immunization Practices (ACIP) schedule. If the student provides an immunization record in any other format apart from this Certificate or an Approved Alternate Certificate (details found at cdphe.colorado.gov/immunization/forms), the school health authority must transcribe the record onto this form. Note: Final doses of DTaP, IPV, MMR and Varicella are required prior to kindergarten entry. Tdap is required at sixth grade entry.
